And you shall love יהוה' your Elohim with all your heart, and with all your being and with all your might. (Repeat 2x)

May יהוה, may יהוה bless and keep you
May His grace and His face shine upon you
May יהוה lift up His countenance upon you
And give you peace, and give you peace

Hebrew Verse:

Y'-va-re-ch'-cha A-do-nai v'-yish-m'-re-cha;

yi-sa A-do-nai pa-nav a-le-cha
v'ya-sem-l'-cha sha-lom, v'ya-sem-l'-cha sha-lom

This is the way you shall be blessed
From day to day, He'll be your rest

May יהוה, may יהוה bless and keep you
May His grace and His face shine upon you
May יהוה lift up His countenance upon you
And give you peace, and give you peace
And give you peace, and give you peace

All is Well - Joshua Aaron

Chorus

**All is well in the hands of the Yah of Israel
All is well in the name of the One who conquered hell**

Echad, shtayim, shalosh! (1, 2, 3)

Woah, woah, woah, woah

Chorus

(Repeat 2x)

**In the hands of Yehovah no weapon formed against me shall
prosper, shall prosper**

In the name of Yahshua sin's curse has been broken

Forever defeated

Woah, woah

Repeat Chorus (3x)

Amazing Grace – Chris Tomlin

**Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind, but now I see**

**'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed**

Chorus

**My chains are gone, I've been set free
My Yah, my Savior has ransomed me
And like a flood His mercy reigns
Unending love, amazing grace**

**יהוה has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures**

Repeat Chorus (2x)

**The earth shall soon dissolve like snow
The sun forbear to shine
But Yah who called me here below
Will be forever mine
Will be forever mine
You are forever mine**

Anchor – Skillet

**Drifting beneath the horizon
Body's weak but I'm trying
To make it to shore, but I'm falling short, I need You more**

**Wave after wave I've been sinking
So unto Your promise I'm clinging
You say that I'm strong, to You I belong, keep holding on**

Chorus

**You are my anchor, so steady me, steady me now
You are my anchor, You're keeping my feet on the ground
In angry oceans, You've never broken
Through every wave of the storm
You are my anchor, so steady me, steady me now
Come steady me, steady me now**

**When I get tired of fighting
All of the fears I've been hiding
You gave me Your breath and tell me to rest, You never left
I can, I can, I can hear You, calling me by name
Pulling me out from under my shame, never be the same
I can face anything, so let it rain**

Repeat Chorus

**Don't let go, I don't want to do this alone
Don't let go, I know that I'll drown on my own**

Repeat Chorus

As We Gather – Maranatha!

His mercies never come to an end
They are new every morning, new every morning

If you're trying to fill the same old holes inside

If you've got pain
He's a pain taker
If you feel lost
He's a way maker
If you need freedom or saving

If you've got chains
He's a chain breaker

We've all run to things we know just ain't right
And there's a better life
There's a better life

Chillin on the Sabbath – Fred & the Genius Ahaya

We're chillin on the Sabbath (Repeat 4x)

Say we're chillin, on the Sabbath,
While everybody's out, doing what they wanna do,
We're reading Scripture, and singing to the Most High,
Cuz we know the law, and we keep the Father's Holy Commandments,
So let people say what they wanna say, let 'em mock you for keeping
His day yeah,
We gon' be ready when Christ return, they be having church on the
wrong day,
And they despise everything that we say yeh, even when we show 'em
in the Holy Word

The 4th Commandment says, Remember the Sabbath, And keep it Holy,
And we should always honor the Most High, And do exactly what He
say,
And don't let them non-believers convince you, That the law was done
away with, You just rest and chill with the Most High, 'Cause the Father
knows who's His,
So you tell them,

We're chillin on the Sabbath (Repeat 4x)

Now don't look for me, On no Sunday, At your church no moe,
'Cause now I keep the Holy Sabbath Day, See I can show you in my
Bible,
Exodus Ch 20, Just stroll down and look at verse 8, verse 8

The 4th Commandment says, Remember the Sabbath, And keep it Holy,
And we should always honor the Most High, And do exactly what He
say,
And don't let them non-believers convince you, That the law was done
away with, You just rest and chill with the Most High, 'Cause the Father
knows who's His,
So you tell them,

We're chillin on the Sabbath (Repeat 4x)

This is how we do it when we're keeping the Sabbath (Repeat 4x)

Delight – James Block

I just want to worship You
I just want to gaze
On Your beauty, again and again
I know I am changed
By the light of Your face

I just want to worship You
I just want to taste and see
How You satisfy the deepest of needs
Money can't buy
What only You freely give

Moment by moment it's such a delight
To always be welcomed near
So I will come boldly with arms open wide
And faith like a little child

Repeat Verse 1

I just want to worship You
I wanna taste and see
For You satisfy the deepest of needs
Money can't buy
What only You freely give

Over and over and over again

So I will come boldly with arms open wide
And faith like a little child

I just want to worship You
I wanna gaze
On Your beauty, again and again

They have drowned in the sea

With a breath from His lips
The waters were raised
יהוה is a warrior, His name will be praised

Chorus

Deliverance! Deliverance!
In bondage, we were slaves
Deliverance! Deliverance!
By Yah's right hand, He saves

Our Passover Lamb has been slain
He has spared us our lives
His blood on our doorposts He gave
He was our sacrifice
And on the third day He was raised from the dead
Where once He wore thorns, now a crown on His head

Repeat Chorus

We once were rejected, now we're received
We once were rebellious, now we're redeemed
We once were resistant, now we rejoice
Listening for the sound of His voice

And in Him the victory is won, HalleluYAH!
It is finished, it is done
Yahshua is the One

A fear in the enemies' heart
As the army of Yahweh raises its sword
And the host of hell
Will turn and flee
Before the name of Yahshua our Lord

Father Make Me Free – Hannah Jay (Schaffer)

You said be as little children
You said let the little children come to me
If you have faith like little children

But Yahweh, even as a child I turned
And chose a path, a plan apart from Yours
Tried getting out through every window
Never turning 'round to see Your open door

Chorus

Father make me free, take these chains and break me free
Father make me free, cleanse me
Take this heart, take these hands, make me a part of Your good plan
Take all that I have been, rid my life of sin
Father make me free

Trained up in a generation where evil and temptation beckoned me
But since the dawn of Your creation You've been calling out a nation
who would believe

Give You Glory – Jeremy Camp

We have raised a thousand voices
Just to lift Your holy name
And we will raise thousands more
To sing of Your beauty in this place

Well, none can even fathom
No, not one define Your worth
As we marvel in Your presence
To the ends of the earth

Chorus

We give You glory
Lifting up our hands and singing "Holy,
You alone are worthy"
We just want to touch Your heart, Yah
Touch Your heart
And glory
Lifting up our voices singing "Holy,
You alone are worthy"
We just want to touch Your heart, Yah
Touch Your heart

As we fall down before You
With our willing hearts, we seek
In the greatness of Your glory
It's so hard to even speak
There is nothing we can offer
No, nothing can repay
So we give You all our praises
And lift our voice to sing

Repeat Chorus

Our hope is drenched in You
Our faith has been renewed
We trust in Your every word
Nothing else can even measure up to You

Give us ears to hear that still small voice
Give us lips forever willing to rejoice
And may our eyes be filled with wisdom
May we know the path that's true
And we'll march with hearts courageous after You

Chorus

We're marching on with hearts courageous
We'll follow anywhere You want us to
And should You lead us where the battle rages
Let us march with hearts courageous after You

Help us to see each time of darkness through eyes of faith
A time for hope, a time for courage
Knowing You will lead us through
And we'll march with hearts courageous after you

Repeat Chorus

Oh, let us march with hearts courageous after You

Whoa-oh-oh, whoa-oh-oh, whoa-oh-oh
Whoa-oh-oh, whoa-oh-oh, whoa-oh-oh

Hello my name is 'Regret'
I'm pretty sure we have met
Every single day of your life

Oh, these are the lies
And I have believed them for the very last time

I've been saved, I've been changed, I have been set free

The One who makes all things new
Has proven it's true
Just take a look at my life

How Great Thou Art – Bailey Family Ministry

Oh Lord my YAH
When I, in awesome wonder
Consider all the works Thy hands have made
I see the stars
I hear the rolling thunder
Thy power throughout
The universe displayed

Chorus

Then sings my soul
My Savior YAH to Thee
How great Thou art, how great Thou art

When through the woods
And forest glades I wander
I hear the birds sing sweetly in the trees
When I look down
From lofty mountain grandeur
And see the brook
And feel the gentle breeze

Repeat Chorus (2x)

When Yah shall come
With cries of acclamation
And take me home
What joy shall fix my heart
Then I shall bow
In humble adoration
And there proclaim
My YAH how great Thou art

Repeat Chorus

How great Thou art, how great Thou art

If We Are The Body – Casting Crowns

It's crowded in worship today
As she slips in, trying to fade into the faces
The girls' teasing laughter is carrying farther than they know
Farther than they know, whoa

Chorus

But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?
And if we are the body
Why aren't His feet going?
Why is His love not showing them there is a way?

There is a way

A traveler is far away from home
He sheds his coat and quietly sinks into the back row
The weight of their judgmental glances
Tells him that his chances are better out on the road

Repeat Chorus

Yahshua paid much too high a price
For us to pick and choose who should come
And we are the body of Christ

Repeat Chorus (2x)

YAHSHUA IS THE WAY

Isaiah 44 – Ted Pearce

Hear Me now, O Jacob my servant
Israel whom I have chosen

Thus says יהוה who made you
Who formed you from the womb
I'll pour My spirit out upon your sons

And I shall pour out living waters on thirsty land
And turn the desert into rivers
They shall spring up like grass amid the waters
Like the willow tree by flowing streams

Thus says יהוה, the King of Israel
And his redeemer יהוה of Hosts
I am the First and I am the Last
Besides Me there is no other god

Who is like Me? Let him proclaim it
Let him declare and set it forth before Me
Who has announced from old the things to come?
Let them tell us what is yet to be

Fear not nor be afraid
Have I not told you since days of long ago?
You are my witnesses, is there a god beside Me?
There is no rock, I know not of one

Sing O heaven, for יהוה has done it
Shout aloud O depths of the earth
Break forth in singing O mountains and forests
יהוה will be glorified in Israel

O Israel you are not forgotten by Me
I've swept away your transgression like a cloud
Your sins have disappeared like a morning mist
Return to Me, I have redeemed you

Thus says יהוה, the King of Israel
And His redeemer Yahshua t' Adonai

Just Haven't Seen It Yet – Danny Gokey

Have you been praying and you still have no answers?
Have you been pouring out your heart for so many years?
Have you been hoping that things would have changed by now?
Have you cried all the faith you have through so many tears?

Don't forget the things that He has done before
And remember He can do it all once more

Chorus

It's like the brightest sunrise
Waiting on the other side of the darkest night
Don't ever lose hope, hold on and believe
Maybe you just haven't seen it, just haven't seen it yet
You're closer than you think you are
Only moments from the break of dawn
All His promises are just up ahead
Maybe you just haven't seen it, just haven't seen it yet

Ohhh!

Maybe you just haven't seen it, just haven't seen it yet

He had the solution before you had the problem
He sees the best in you when you feel at your worst
So in the questioning, don't ever doubt His love for you
'Cause it's only in His love that you'll find a breakthrough

Repeat Chorus

Maybe you just haven't seen it, maybe you just haven't seen it yet

(Repeat 2x)

He is moving with a love so deep, HalleluYAH for the victory
Good things are coming even when we can't see
We can't see it yet, but we believe it

Morning – Sue Samuel

In the morning, please Yah, speak to me
In the morning as I go to my knees
In the morning before I make my way
Visit me Elohim, prepare me for my day

יהוה, search my soul
Touch my lips with burning coals

In the morning a hunger in me stirs
In the morning to taste Your honey words
In the morning incline my heart be still
Pour Your Spirit on me until I've been refilled

Chorus

יהוה, search my soul (and find me blameless)
Touch my lips with burning coals (and find me blameless)
Make this earthen vessel shine (and find me blameless)
'Til You see Yourself inside
The image of my Yah
Blessed image of Yah
In Your image, oh Yah

Change me sweet Yah
My soul yearns for so much more
May I never grieve Your heart
Change me Yah, if it serves Your will
Tear my world apart

In the morning Your mercies are brand new
In the morning I rise up with the sun

New Jerusalem – Matt Gilman

I'm looking for a city not made by human hands
And I'm longing for the garden where Yah once walked with man
For eternity is written on my heart
Yah, I'm longing for the day when we will never be apart

Pre-Chorus

When every tear will be wiped away
There'll be no sorrow, hurt or pain
There'll be no more night
All things will be made new
It will be a brand new day
And in righteousness He'll reign
And the Lamb will be the light

Chorus

Behold the tabernacle of Yah will be with man
And He will be our Yah, and we will be His people
And the bride, she will marry the Lamb
But until that day, I'm longing for the New Jerusalem

And I looked and saw a city descending down from Heaven
Prepared just like a bride for the Son of Man
There's a day of gladness written on His heart
And He is longing for the day when we will never be apart

When I formed you in the garden
We were walking side by side
I was yours, and you were Mine
I gave you every sort of pleasure
Except the fruit upon a tree
Then you chose it, instead of Me

Chorus (2x)

I said son just how long can you stay away
From your Father's home?

You wore the crown of all creation
now you're living in the mud
Don't let this place of shame keep you from My love
'Cause there is something that I've wanted
To tell you for awhile
There's still a place for you
At home my child

Psalm 91 – Sons of Korah

He who dwells in the shelter of the Most High
Will find rest in the shadow of the Almighty
I will say of יהוה, He is my refuge
My YAH and my shield in whom I trust

Surely He will save you from the fowler's snare
And from the deadly pestilence as well
He will cover over you with His feathers
And there under His wings you will find peace
And His faithfulness will be your shield

You'll not fear the terror of the nighttime
Nor the arrow that flies by day
Nor the pestilence that stalks in the darkness
Nor the plague that destroys at midday
A thousand may fall at your side
Ten thousand may fall at your right hand
But it will not come near you, you will only see
You will only observe when judgment comes

Chorus

For He commands His angels concerning you
To guard you wherever you may go
To be with you and lift you in their hands
So that you won't strike your foot against a stone

Well, if you make the Most High your dwelling
Even יהוה who is my refuge
Surely no great harm will befall you
No disaster will come there near your home

Repeat Chorus

(Repeat 2x)

You will tread upon the lion and the cobra
And trample upon the serpent's head

I will be with him always and I will honor him

With a long, long, eternal life, I will satisfy him with long life”

Kneel before Yah our Creator
Come let us, come let us
Before Yah our Creator

For יהוה is a great Yah and great King above all gods
In His hands are the depths of the earth
And the mountains belong to him and the sea for He made it
And the hands of יהוה, they formed the dry land

Repeat Chorus

Today if you hear, if you hear His voice
Do not harden your hearts, as you did in Meribah
As you did that day in the desert

There your fathers tested me
Though they had seen what I had done
For forty years I was angry with them
Angry with that generation

I said they have gone astray
I said they have not known My ways
So I declared in My anger, they will never enter My rest
Enter My rest

Purest River – Hannah Jay (Schaffer) feat. Papa J

**Yahshua said come follow Me
You'll never thirst again
I'll breathe on you the breath of life
You never shall taste death
Leave behind your old ways
And walk the path that's new
It may be straight and narrow
But just think where it leads**

Chorus

**Purest river of crystal clear water
Proceeding from the throne of Yahweh
There'll be no night there, only the day
Eternal moments with Yahweh**

**The path is straight and narrow
But it's really not that hard
Others gone before us, have made it, why can't we?
Be careful lest you stumble
Be careful lest you fall
Be careful lest satan find you
And take away your crown**

Repeat Chorus

**Yahshua called and we all came, to walk with Him in light
He called us from the darkness, and from our worldly plight
Follow in His footsteps, along the narrow path
Where living means forever, and He shall be our King**

Save Me - Skillet

This is the place that no one sees
I don't like to show (I can't help it)
This is the darkness over me
It's just the world I know (I can't stop it)
Reaching for the light
Reaching from inside
Help me tonight

Chorus

I'm closer to the edge (tonight)
I'm standing on the ledge, (so why)
Won't you reach out your hand
To save, to save me (tonight?)
I'm damaged if you dare (tonight)
It feels like no one cares, (so why)
Can't I come up for air?
Just save, just save me
What are you waiting for?
Someone save me

Peel back the skin, exposed to you
Take pleasure in the pain (please don't stop it)
Tell me what I'm supposed to do
It ain't easy to open up this way (I can't help it)
Reaching for the light
Reaching from inside
Help me tonight

Repeat Chorus Musical Interlude

**So I'm thankful for the scars
'Cause without them I wouldn't know Your heart
And I know they'll always tell of who You are

With the strength of Your faithfulness
And I'm not who I was before
No, I don't have to fear anymore**

How you delivered me

Told oceans where to start and where to end
You set in motion time and space
But still You come and You call to me by name
But still You come and You call to me by name

Chorus

If you can hold the stars in place
You can hold my heart the same
Whenever I fall away
Whenever I start to break
So here I am, lifting up my heart

Can't separate, can't keep me from Your sight
I get so lost, forget my way
But still You love, and You don't forget my name

Repeat Chorus

Weeping as they go, weeping as they will
And they go, weeping for their sin
Seeking Him who makes them whole again**

I come to you now
Weeping as I come
Weeping as I may
Weeping as I go
Weeping as I lay it all
As I lay it all at Your feet**

**You said child, lift your head
Lift it up, fill your cup and drink
You said, child of the King
Lift your head
Leave your fear and your shame,
Your guilt and your pain at My feet
Be wiped clean, you are redeemed
For My Son has saved you from the enemy**

“And see I am coming speedily, and My reward is with Me, to give each according to their work. I am the ‘Aleph” and the ‘Tav’, the Beginning and the End, the First and the Last. Blessed are those doing His commands so that the authority shall be theirs unto the tree of life, and to enter through the gates into the city. But outside are the dogs and those who enchant with drugs, and those who whore, and the murderers, and the idolaters, and all who love and do falsehood. I, Yahshua, have sent My messenger to witness to you these matters in the assemblies. I am the root and the offspring of David, the Bright and Morning Star. And the Spirit and the Bride say Come, and he who hears, let him say Come! And he who thirsts, come! And he who desires it, take the water of life without paying.” – Revelation 22: 12-17

When We Fall Apart – Ryan Stevenson

You were 43 when you got the news
Life will be changing, nothing we can do
The clock is ticking now, all I can think about
Is knowing I have to move on without you somehow
And I just can't believe
That you're the one who's keeping it together
As you hold my hand and say

Chorus

It's ok to cry, it's ok to fall apart
You don't have to try to be strong when you are not
And it may take some time to make sense of all your thoughts
But don't ever fight your tears
'Cause there is freedom in every drop
Sometimes the only way to heal a broken heart is when we fall apart

You ask me to sing some songs that I wrote
But I can barely speak, can barely play a note
All my tears rush in, falling on my strings
And make the sound of these progressions have a different ring
And I hate to say goodbye
Knowing this will be the last time we're together
As you close your eyes and say

Repeat Chorus

And you've got the gift of mercy, don't ever think it's strange
Not a curse, but it is a blessing to feel other people's pain
And always love without condition and trust with all your heart
There's healing in the story of your scars

Well, it's been a while since you've been gone
Sometimes I still catch myself trying to call your phone
All the hopes and dreams we used to talk about
They're still alive in me and I just hope I make you proud
Now I'm your legacy and it's your love still holding me together
And I still hear you say

Repeat Chorus

Sometimes the only way to heal a broken heart ... is when we fall apart

**Wash me clean, whiter than snow
I turn away from the way I used to go
I've waited for so long to know where I belong
Now I'm Yours (now I'm Yours, now I'm Yours)**

Chorus

heart**

Holy fire consume me, burn the idols on the throne of my

Breath of Yah breathe upon me, I surrender my life to you Yah

There is nothing on earth that could take you away
Once I gather you under My wings
I will bring you all back home again

Though you've wandered like strangers to the ends of the earth
I will send you a Savior, I will finish my work
You have no other shepherd, you have no other lord
Green pastures are waiting in Zion once more

Repeat Chorus

So we pray for the peace but look to the east
For the sun rises sudden and fierce
Every prophet and priest and king in the city
Will look on the One they have pierced,
We will mourn for the one we have pierced

But don't fear O My daughters, or sons of Abraham
I will wash you with water, I will offer the Lamb
Though your sins were like scarlet, they'll be whiter than snow
I have always been with you, I will never let go

Repeat Chorus

Adonai Eloheinu, Adonai Echad, Shema Yisrael (Repeat 3x)
Adonai Eloheinu, Adonai Echad
