PORTION IN A NUTSHELL

VEZOT HA'BRACHA (THIS IS THE BLESSING)

Moshe pronounced a blessing on the Israelites before his death. He told them that they are loved and held in Yahweh's hand. He said that Yahweh is their King. Moshe blessed each tribe individually. Then Moshe climbed Mount Nebo from the plains of Moab to the top of Pisgah, across from Jericho. Moshe saw the whole land. Then Yahweh said to Moshe, "This is the land I promised on oath to Abraham, Isaac, and Jacob when I said, 'I will give it to your descendants.' I have let you see it with your eyes, but you will not cross over into it."

STOP & STUDY

Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.

Ephesians 6:1-4 Children, obey your parents in Yahweh: for this is right. Honour thy father and mother; (which is the first commandment with promise;) That it may be well with thee, and thou mayest live long on the earth. And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of Yahweh.

Proverbs 13:24 He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.

Isaiah 48:12 Hearken unto me, O Jacob and Israel, my called; I [am] he; I [am] the first, I also [am] the last.

Matthew 6:30 Wherefore, if Yahweh so clothe the grass of the field, which to day is, and to morrow is cast into the oven, [shall he] not much more [clothe] you, O ye of little faith?

Don't Think Like a Four-Year-Old : 101

Have you ever been really irritated at your parents, thinking that they give just one too many rules? **Maybe it wouldn't seem so burdensome if you realized that they give you rules, because they love you and care about you.** In Devarim 33:2-3, Moshe says that from the right hand of YHWH “went a fiery law... Yea, he loved the people.” **Rules may at times seem like a burden, but it's actually freedom and it is enveloped in love.** There's nothing a four-year-old wants to do more than to go into the road. Mom and dad tell him not to go into the road, but in the four-year-old's mind, he's thinking that mom and dad are keeping him from all the fun he would have on his bike if he could only go in the road. You're old enough to realize that a four-year-old going into the road is dangerous and that mom and dad tell him no, because they love him. **In the same way, maybe mom and dad won't let you hang out with certain people or wear certain clothes. You might think, “What's the harm in that?” But trust that your parents love you and are trying to do what's best for you.** Also, they often have insight to the situation that you might not understand now, but you will later. **YHWH gave us commandments, because He loves us.** We don't always see the purpose behind His commandments, but they are there to protect us from harm and we should trust that He knows what is best for us.
